TO: GIT Graduate Studies and Research

I request a waiver of the Institute requirement that a graduate student be registered during the semester in which he or she graduates (enrollment waiver).

I have completed all degree requirements and will no longer require any of the Institute's facilities or faculty time to complete the

____ MS without thesis (course work only)/ ____ MS with thesis option/ ____ Ph.D. degree.

I propose graduating during the _____ (semester) of **20**____ (year). I am/was registered in the semester preceding my proposed graduation semester, the semester for which I am requesting a waiver. This includes summer semesters. [Exception: non-thesis master's students who have completed all coursework prior to the graduation semester need not have been enrolled the prior term.]

I understand that I may apply for this waiver only once. If a thesis is required for my degree and I do not submit my final approved thesis to the Graduate Office before the end of the registration period for the above specified semester, I may have to register for at least 3 hours.
